Dear Minister,

The Marine Life Society of SA (MLSSA) discussed your response (dated 4/3/08) to the matter of the protection of the Western Blue Groper and the Harlequin Fish at our March Committee meeting.

We agreed that we appreciate the thrust of your letter regarding the protection of these two species and we would be pleased to take part in any initiatives that are envisaged or are underway.

We believe we either have or can provide further experience in this area and would be grateful if we could be kept informed of any progress and to have the opportunity to be involved in this process.

Thanking you.

Yours sincerely

Philip Hall  
President
